Students were asked to rank their experiences learning English on a scale of 1-5. (1 is strongly disagree and 5 is strongly agree)

I feel supported by the staff of Literacy Unlimited

I feel comfortable asking my tutor, teacher, or a Literacy Unlimited staff member for help

Studying in the Literacy Unlimited program has helped me to accomplish my personal or professional goals

# *Qualitative Feedback*

**What do you like most about the Literacy Unlimited program?**

“How the people in the library help and give guidance to immigrants. They are kind and friendly.”

“Able to speak in English and meeting friends.”

“The tutor and the patience they have shown me through the whole process.”

“The accessibility and support they give to the tutees.”

“I like that everyone is willing to help.”

# ***Qualitative Feedback***

## **What can the Literacy Unlimited program do better to support you and help you improve your English skills?**

- I wish that some writing class, American history class or watch news together and try to understand about it.
- Give us more conversation class
- I need more time together us
- To have more tutoring hours available
- To be honest, the way it is going for me is very good.
- Organizing more social programs
- Continue to support tutoring programs
- More activities online
- With teachers and students conversations

# Other comments, suggestions, or ideas:

“I would like send you recognition for your support to help me get more skills in my language learning program”

“Big thanks for everyone like the way they do their job”
