

# SUSTAINABILITY SERIES

Please join us for this exciting Sustainability Series sponsored by the Framingham Sustainability Committee and the Framingham Public Library.

**Mondays at 7:00 pm, Main Library, Costin Room**  
**and on YouTube Live: [youtube.com/FraminghamPublicLibrary](https://youtube.com/FraminghamPublicLibrary)**

## ***Expensive Energy Bill Got You Down?***

**November 21**

Calling all renters, landlords and homeowners looking to reduce your energy costs. Hear from Jaime Haber, Secretary of the Framingham Sustainability Committee, and other energy efficiency experts about how the City is working with Mass Save to bring you the best services to improve the comfort in your home and save energy — and money too. Get your questions answered and sign up for no-cost home energy assessments on the spot. And, learn about opportunities for any additions or renovations you have planned.

## ***Go Solar at Home***

**December 12**

Interested in the new tax credits for solar installations? Confused about all your options? Join us to find out whether buying or leasing solar will be the best option for you and how to evaluate different bids.

## ***Get Comfy with Heat Pumps***

**January 23**

Have you heard of heat pumps or mini-splits or ductless heat and cool units and wondered about them? Join us in a vendor-free environment to find out how to evaluate what type is right for your home, how to choose a vendor and how to compare quotes.

## ***Show Me the Money...for Electric Vehicles***

**February 6**

Interested in electric vehicles? Are you a two car family looking to replace one soon? Find out what type of electric or hybrid electric vehicle might be right for you and where to charge up here in Framingham. Hear about those tax credits and incentives. Learn about a way to calculate costs to see if you can afford an EV today.
