COVID-19 UPDATE

Twenty-four Additional Residents Test Positive for COVID-19, *Twelve More People have Recovered from the Virus*

- **Twenty-four additional residents test positive for COVID-19, and 12 more people have recovered:** The number of people in the City who have tested positive for COVID-19 is now 1,170. With 302 cases recovered and 42 fatalities, Framingham currently has 826 active cases. The Framingham Health Department contacts the people who were potentially exposed and the owners of the businesses or places of employment where the potential exposures occurred to inform and counsel them on next steps (contact tracing). In addition to the active cases, the Framingham Health Department currently is following 230 residents in quarantine.
