- **Eight additional residents test positive for the virus, 32 more have recovered, and City learns of one new COVID-19 fatality:** The number of people in the City who have tested positive for COVID-19 is now 1,650. With 942 cases recovered and 93 fatalities, Framingham currently has 615 active cases. The Framingham Health Department contacts the people who were potentially exposed and the owners of the businesses or places of employment where the potential exposures occurred to inform and counsel them on next steps (contact tracing). In addition to the active cases, the Framingham Health Department currently is following 165 residents in quarantine.
- **The City's Department of Public Health releases demographic COVID-19 data every Saturday on all confirmed Cases in Framingham since March 1, 2020:** Data includes information about confirmed cases by age, gender, race/ethnicity, fatalities, nursing homes, and residential settings. The data release also includes statistics about rates per 100,000 population. Reference today's data release [here](#).
- **Framingham to Commemorate the National Day of Mourning Monday, June 1, with a Moment of Silence at Noon to honor the 100,000+ Americans who have died from COVID-19:** The City will raise the Pride Flag Tuesday, June 2, rather than Monday, June 1, out of respect for the National Day of Mourning.
