Adventures in Lifelong Learning courses are free to all participants, thanks to partial funding support from the Older Americans Act as granted by BayPath Elder Services, Inc., and grants from Ashland Cultural Council, Holliston Cultural Council, and Framingham Cultural Council.

Because federal funding is being used, we provide participants an opportunity to make a voluntary donation toward the cost of this service. Voluntary donations are put directly into program enhancement, allowing for expansion of services. Whether or not a participant makes a voluntary donation in no way informs or influences this service delivery.
