2024 SUMMER READING

READ 'N BEAD

Main Library & McAuliffe Branch
Children's Rooms

JUNE 22-SEPTEMBER 14

Kids read and record their minutes (or have a grown-up help them track time) then they turn those minutes into beads of varying colors, shapes, and designs to decorate and personalize their very own necklace! This is for anyone participating in the Children's Summer Reading at the Framingham Public Library.

How to get more Beads:

One Bead is awarded for every time "level" read.
There are 5 "levels" of beads kids can earn:

15 minutes = Solid color beads

30 minutes = Sparkly/Metallic beads

1 hour = Stars/Hearts/Butterflies beads

2 hours = Clay beads

4 hours = Shaped beads

Kids can "level up" as the summer progresses. If you read for 30 minutes one day and pick up a glitter bead, then read for 30 minutes the next day, they could exchange all of those minutes for one shiny bead (turning in their original glitter bead).
