AFTERNOON COVID-19 UPDATE

Five Additional Framingham Residents Test Positive for COVID-19, Bringing Total to 42;

New Resource: COVID-19 Testing Locations

- **Five more people test positive for COVID-19:** The number of people in the City who have tested positive for COVID-19 is now 42. With ten cases recovered and the City's first [COVID-19 fatality](#), Framingham currently has 31 active cases. Following the guidance from the Massachusetts Department of Public Health, the Framingham Department of Health has not shared any additional information about those who have tested positive because of privacy laws. The Department is in contact with the people who were potentially exposed to the positive cases and the owners of the businesses or place of employment where the potential exposures occurred to inform and counsel them on next steps.
- **Testing Locations for COVID-19 in/around Framingham:** The Health Department has confirmed known locations of COVID-19 testing sites. The City has documented the locations [here](#) (select the "COVID-19 Testing Locations" tab). The information includes the testing processes at most sites. This portion of the City's COVID-19 website is current as of March 27, 2020. The City will update the information regularly.
- **COVID-19 in Framingham:** Information on COVID-19 in Framingham can be found at www.FraminghamMa.Gov/covid19, which is updated daily. Residents can find updates on the [website](#), [Facebook](#), and Twitter - @Framingham_MA. If there is an urgent update, the City will employ the City's "Alert Framingham" system, otherwise known as reverse 911.
