Enter your **email** and your **first and last name.** Then click the "I agree" button.

You will see a notification to check your email.

In your email, click on the **Activate Account** button.

You will be asked to enter your name, and to create a password. You must type in your new password twice.

You do not need to do the next two steps (you don't need to "invite colleagues" or "test a meeting.")

Go back to the Zoom app from your homescreen. Your teacher may ask you to "join" a meeting using this button. Your teacher might send you an email to join a meeting. You can click on the link and it will bring you to the Zoom app.
